MEMORANDUM FOR: []

SUBJECT: Discussion with Mr. Campbell, 30 January 1952

1. I believe you should consider advising Mr. Campbell of the possibility that the Foreign Office might exert pressure upon the State Department to force OPC to reduce the scale of its activities in and over Albania. We have felt that such a move is highly possible in conjunction with [] efforts on the service level. It is also possible that British delay in responding to the State Department paper on Albania may be explained by an altered viewpoint on Albania which the Foreign Office is reluctant to disclose at this time.
